

These booklets are a part of Michigan's Grade Level Content Expectations (GLCE). They are just one in a series of companion tools for both educators and families. The goal of the booklets are to state in clear terms what students in each grade are expected to know and be able to do. If you have any questions about these Parents Guides, please contact Ms. Betty Underwood at underwoodb@michigan.gov. Sixth, Seventh and Eight grades for Mathematics and English Language Arts will be coming soon. You may access the Multiple Copy forms of these documents at this [Link](#). (Requires the free [Adobe® Acrobat® Reader](#) ver 7.0.7.) Some PDF's are large and may take several minutes to open.
